

Managing Change

Duration: 1 day

Maximum group size: 12 people

Course overview

This course introduces managers to a range of change management practices, tools and techniques to ensure that change is successfully implemented and embedded. Delegates will learn the importance of translating strategic change into operational objectives for their teams to 'buy in' and make it happen!

Delivery methodology

Futureproof's training workshops require all delegates to take a full and active role throughout. Our mix of trainer led discussion, facilitation, coaching and skills practice ensures that all delegates enjoy an interactive and supportive learning experience.

Who would benefit from attending?

Managers who are responsible for communicating and actioning business change affecting their team / department.

Core development objectives covered
