

Strategic Leadership & Direction

Duration: 2 Days

Ideal Group Size: 10 to 12 People

Course overview:

This course is designed for Senior Managers who want to strengthen their strategic leadership skills, knowledge and behaviours whilst improving their understanding of the impact of being an effective & inclusive leader. Delegates will also explore how to lead, inspire and empower others to deliver consistently high levels of performance.

Delivery methodology:

Futureproof's training workshops require all delegates to take a full and active role throughout. Our mix of trainer led discussion, facilitation, coaching and skills practice ensures that all delegates enjoy an interactive and supportive learning experience.

Who would benefit from attending:

This course is ideal for Senior Managers / Leaders who want to improve the way in which they provide direction and motivation to their team.

Core learning objectives covered:

- Strategic leadership and direction
- The benefits of strategic business planning
- Making informed decisions about the future direction of the business
